

SAFETAPE® Tamper Evident Tape

Tamper Evident Tapes are made from the highest quality polyester material and adhesive.

Tamper Evident Tapes provides the user with physical evidence of tampering by revealing its hidden message if the tape is peeled.

The Safeseal Tamper Evident tape is 50 m. in length.

Continuous 50 meter rolls with recurring message with a standard tape width of 48 mm.

Standard colour is red or custom colours are available on application.

Tamper Evident tapes can be customised with your company logo and name or a custom message visible or hidden.

Tamper Evident tapes will provide an excellent deterrent to theft while sealing your carton as any attempt of entry will be known Instantaneously by the revealed hidden message.

Tamper Evident tapes comply to NZ Civil Aviation Authority Rule 109 for the export of airfreight cartons and pallets.
